Based in Sheffield, South Yorkshire

DBS Check (Feb 2025)

Professional, positive, and punctual; with 10 years of experience in constructing high quality sound, from avoiding problems on location to repairing them in post. His strong technical skillset ensures every inch of the soundtrack is seamless and of great depth. Additionally, he likes to bring a positive calmness and safe environment to all cast & crew on set.

Education

Sept 2011 – Nov 2014 | **University of Hertfordshire** | Hatfield
